Addition/Deletions: Veterans Memorial Park

Council actions since last meeting: None

Pool Committee met last Wednesday and will meet again May 27th

Pool: still working on figuring out exactly what's going on with leaking water and what direction to take.

Historic City Hall: Zierke said he thought it was appropriate when compared to other visitor centers; however the lighting is still an issue. Expense is the problem.

Rotary Bridge: Gottenborg brought this up at Rotary. Their response was to see who deals with reconstruction/repairs/painting of bridges.

Drinking fountain is in and working. It will probably need a concrete pad with path. Olson and Gottenborg will see to it before Pelican Fest.

Barbecue Pits: Gottenborg and Rotary agree that there are issues and they are going to talk more about it at their next meeting. Probably have a carpenter check it out and report what needs to be done to improve situation.

Veterans Memorial Park: Grass is in and is growing. Midwest Tree and Maintenance tilled up and hauled in black dirt and hydro seeded it. Pare coming back to fix up some landscaping. The sign will be up soon.

Gottenborg will talk to Loretel about signage as library area being a WI FI hot spot.

David Brown Field: building still going down. Employees are moving things stored there to another spot.

Motion made to adjourn by Gottenborg and seconded by Fitzsimmons at 8:35 a.m.
Next meeting: Monday July 30th at 8:00 a.m. Recorder: Denise Magnusson
