Magnusson update with Chair Project. Steve Marsh and the shop class are fixing them. They are gonna shellac and protect them and get them updated.

Gottenberg informed the board about the Rotary Peace Path north of Trinity. According to their grant it must be done by June 30, but they really want to have it done by Friendship Festival. Think about ways to recognize them with this feat. Add to next agenda to discuss.

Terra Fitzsimmons update on the Lake Region Electric donation for plants to place in the planters.

Discussion of the original tree on the south bank of the Pelican River. Decided to let the tree leaf out and make a final decision at a later date.

Gottenberg to draw out the rest of tree placement. VFW would like to donate to the park, Zierke to follow up and find out their true wishes.

The curb has been given the go ahead. Zierke talked to the Senior Center and they are concerned about

the lost parking and the impact on their patrons. The retaining wall is a little costly. Gottenberg to check to see if Wes Pere might be able to quote something lower.

Lighting is it possible to add plug-ins as well for people to use if they have gatherings or while using their laptops since the Library's wireless reaches throughout the park. .

Magnusson left at 9am.
