Park board Minutes October 28, 2019

Meeting was called to order at 5:30 by Kate. Those present were Kate, Amber, Van, Judi, Brian.

Motion made and carried to accept the minutes from the August and September meetings.

Deletions were made from the agenda, those being a recap of pool progress and community input ideas from Minneapolis Parks. An addition was made, that being the shelter at Brown Field.

Patrick Hollister and katie Kitowski were present to give a review of the bicycle friendly community application preview. the deadline for the application to be submitted is August 8, 2020. They requested that we organize a community bike ride that lasts for at least one hour and hopefully make this an annual event. May 2020 would be a good month for this as it is National bike month. Van will assist Katie with this project. They also requested that we contact them when a community event comes up that they can have a booth at to distribute brochures, etc. They are requesting \$100. from the city to help pay for the brochures and handouts. Patrick encouraged us to come up with a location for the bike trail before this

time and to take photos of bike events as well as of the repair station set up. The above items will increase the chance for us to be chosen as a "bikeable Community" .

Seasonal flower pots in the downtown area was discussed and decided to have two on the mainstreet bridge area.

Brian informed us that there were 122 reservations in the city campground in addition to the first come first serve campers in 2019.

The bike trail head was discussed. At this time the areas discussed were parking lots near HCH, and Senior citizens building. Two other possibilities were discussed and it was decided that we will all look at these areas and discuss them again at the next meeting.

We were updated on the shelter in progress at Brown Field by Brian.

Future meeting dates were discussed and the board decided that they will be held the last Monday of the Month at 5:00 PM in the city hall.

Next meeting date will be November 25, 2019 at 5:00 in the city hall.

Meeting ajourned at 6:30.
