Police Chief Jeff Stadum presented the Police Department report. There were 3,412 miles driven while patrolling and responding to 124 calls for service. The department assisted the Sheriff's Department 4 times and State Patrol 1 time, and issued 18 tickets. Fines collected were \$1004.90.

The Utility Superintendent's Report was presented by Brent Frazier.

The Street/Park Superintendent Report was presented by Brian Olson. The department has been busy plowing snow and sanding. Superintendent Olson said he would like to explore parking restrictions, for example no parking on streets certain days and avenues other days.

Mayor Woessner invited Richard Nelson to discuss the Pelican Rapids Music Fest. The group would like to organize a community event in June. CITY OF PELICAN RAPIDS COUNCIL MEETING MINUTES – 03-12-13

Administrator Don Solga explained there would be adjustments to bring contract into line with calendar year. Council Member Foster asked about having PeopleService jet sewers. Administrator Solga said it would be possible to add jetting to Scope of Service, but the City has the street department do the jetting. Administrator Solga said the contract is for professional services so the competitive bidding law does not apply here. The committee may entertain looking at another proposal. Administrator Solga concluded, “What we saw and what we know PeopleService can do for us looks very, very interesting.”

Motion by Strand, seconded by Ballard to approve a Franklin Lake Association Raffle permit for 10-26-13 at the VFW, 29 1st Ave. NW. Motion carried.

Clerk-Treasurer Glenys Ehlert presented information on two new firefighters. Motion by Waller, seconded by Strand to appoint Jeremy Ballard and Gary Motz to the fire department. Motion carried.

Mayor Woessner reminded Council Members that the Board of Review will be held on 04-02-13, from 2-3 p.m. at Council Chambers, City Hall.

Chet Nettetstad approached the Council on behalf of the Pool Hall and other businesses to request that snow removal be conducted during the evenings. He also said that frozen ruts in streets are a safety concern, particularly at the funeral home. Mayor Woessner told Nettetstad that his concern has been noted.

Motion by Strand, seconded by Waller to adjourn the City Council meeting at 5:45 p.m. Motion carried.
