Park Board minutes May 20, 2019

Called to order by Kate at 5:30. Those present were Kate, Van, Brian, Judi, Rudy, Amy

The minutes from April were approved. The agenda was approved with the additions of movie night and signage.

Brian updated on the skateboard park. This park is owned by the school and is in poor shape. Brian states that it is not used much. The motion was made and seconded to turn this over to the school to do as they wish with.

Kate updated on the community bikeable workshop. It will be held on June 11, 2019. She did not get as many responses as she hoped. Van has the route set.

Brian updated on the swimming pool hours. The hours have been set and the pool is ready to go.

Trinity Youth Volunteering discussion was held. Brian will make a list of things for them to do. One of the things will be cleaning up the peace trail, and possibly painting the south wall of the pool building.

Flower bed update was given by Brian. There are still some flower beds to be assigned to volunteers if we get anymore.

Movie Night update given by Amy and Kate. They state that they are still looking for more vendors. They will be putting up more signs around town advertising the event.

Signage was brought up by Kate. The board feels that there needs to be more signs around town directing tourists to public parking lots as well as parks. Kate brought pictures of possible places for signs. Brian took the pictures to look over and see where the city would be allowed to put signs. Some of the proposed areas are state governed and will be brought up to them at the Hwy 59,108 meeting.

Next Meeting date was set for June 17, 2019 at 5:30 PM at the city Hall.
