- Planning for the next movie night
7. Recap of Pool Progress
8. Velo's Land
11. Next Meeting Date
12. Walk the Peace Trail

Park Board Minutes July 22, 2019

The meeting was called to order at 5:30 by Kate. Those present were Kate, Amy, Amber, Judi, Van, Brian, and prospective new member Miriam Perez.

The agenda was approved with the additions of signage and the large hole in the ground behind HCH

The minutes from the June meeting were approved.

Motion was made and seconded to approve Miriam as a new member to the park board.

Discussion was held regarding movie night. About 100 people attended the movie in June which ended up being held at the school due to weather. The next movie night is July 27 at Veterans Park. The bathrooms at the library will be overseen by a park board member. Sandwich signs advertising the event will be placed on Thursday and Friday.

Discussion was held on the swimming pool project. It was reported that the committee has started on fund raising. A website has been set up. It is pelicanrapidspool.com

The Velo property is still in the works. Kate has been attempting to contact Dale Velo.

It was brought up that there is a large hole in the ground behind HCH. Brian states he will talk to Andrew Johnson about this as he thinks this is Andrew's property not the city's.

Signage was again discussed. Brian states that he is working with MDOT on this.

The park board took a walk through the peace trail. We looked at an area where the trail can loop up onto either 6th street or the gravel street to the west of 6th. This will eventually allow the trail to come out and connect to the new bike/walking path that will be part of the 2024 MDOT project. Brian states that over the winter he can work on a sign for the entrance to the peace trail.

Kate brought up a proposal to have the park board be in charge of coming up with a suggestion for the best place to locate the future Trail Head. A motion was made and seconded to accept this project.

Motion made and seconded to adjourn the meeting. The next meeting will be held in Peterson Park on August 26th at 5:30 p.m.
