The meeting was called to order by Kate at 5:30 p.m. Those present were Kate, Brian, Van, Judi, Amy, and Miriam.

The agenda was approved as well as last months minutes.

Brian updated us on the signage for sherin park. This is in the works, He is not sure when it will be done. The sign for the peace trail will be worked on this winter when the city maintenance crew has less busy days.

Outdoor music night update. As we did not have the first movie in June outdoors due to weather we are able to have one this fall. This will be on September 21, 2019 at the veteran memorial park.

Kate and Amy gave an update on the pool progress. They are in the waiting stage at this time. There have been some financial commitments from area business owners.

Velo property update. This aquisition is in the works and moving forward.

Peace Trail/School collaboration project: The art department at the school is planning to make clay villages, etc to place along the peace trail.

Signage: The crossing signs are great!

Bench project: The new benches will be set on October 19.
