

NOTES FROM JULY 28, 2014 PARK BOARD MEETING

Board members present: Dave Gottenborg, Denise Magnusson. Don Solga was also in attendance.

There was not a quorum, so will report on discussion.

Concerning the budget, no mention of needs for the parks going into 2015. The exception would be looking for a quote for the shelter at Brown Field.

Veterans Park: Parking area needs attention to keep it up until we can get it paved. We also need wood chips for mulch in the park area.

Gottenborg will follow up next Park Board meeting after Turkey Barbecue meeting. Consensus is that they would like to put up another shelter where cement is, most likely wood or steel. This could possibly be a Rotary or Oktoberfest spring project. Dave will talk to Henry Buildings for bid and a carpenter as well. Discussion on covers for pits. Steve Zimmerman has an idea to revamp them.

Need to talk to Zierke about money in the chair project.

Wayne Johnson wants unanimous yes's from Council members to continue seeking Legacy Grant.

Please pass on to Park Board members.

Thank you,
Denise Magnusson
