HYDRANT FLUSHING

The city will be flushing hydrants on Oct 4, from 7:00a - 3:00p

The alternate date will be Oct 11, from 7:00a - 3:00p

This may result in loss of water pressure for a short time and could result in a discoloration of the water. If this occurs let your water run until it clears.

FROM THE STREET DEPARTMENT

Please DO NOT rake leaves or blow lawn clippings into the street

It is against City Ordinance 302.5 to deposit leaves, grass, sand or other materials on city streets or in the street gutters. By mowing the first two rounds back onto your property and not into the street, the grass won't wash into the storm drains and clog them.

If there is an emergency and you need help dial 911.

If you need to speak with a police officer and it is not an emergency, please dial 218-863-1351.

Please do not hang up until on officer answer or you leave a message. Your call will be returned as soon as the officer is available.

School Yr Driving Tips:

- Slow down
- Watch for children
- Turn on your lights (kids can see your car)
- Obey the traffic rules
- Watch for students
